Rockford Block Party 2010

Rockford Rentals, Inc is excited to announce they will be hosting their fourth annual **Rockford Block Party** on Saturday, June 18, 2011 at 1:00 p.m. Due to the high attendance of last year's Block Party, this year's party will take place at Alpine Park. All members of the Rockford community are welcome.

Entrance into the party is \$5.00 and will include food, drinks, music and games. In addition, prizes will be auctioned off at the end of the day. In addition, half of the proceeds will go to the Rockford Rescue Mission.

The Block Party began last year as a way to bring the Rockford community together. "The Rockford community needs to come together and see that we really can be a community, together," said Rockford Rentals, Inc President **Larry LaGrange**. "We wanted to create something that would be fun to do together. For one day let's all forget the hardships Rockford has seen and just enjoy ourselves."

**Rockford Rentals, Inc.** has been with the Rockford community for almost 60 years. It began as a family business and has continued as such. As a small business, Rockford Rentals, Inc. and its employees strive to create a strong relationship with each customer. We specialize in equipment, party and costume rentals.
